PUMPKIN PATCH PRESCHOOL & CHILD CARE CENTER of

Southington CT required a WiFi phone system to integrate 16 classrooms with the Directors and Assistant Directors office. The installed solution is the IPitomy VoIP Phone system to integrate school on WiFi Network.

- *VoIP IP 620 Color Display Phones for Directors Offices*
 - *Apple AirPort Extreme Secure 2.4 GHz & 5 GHz WiFi*
 - *Classroom iPhone's with BRIA Phone Extension WiFi APP*
 - *Teachers phone mobility from classroom or playground*
 - *Classroom to Classroom and outside calling*
 - *Limited Cabling which saved money*
 - *Day and Night Automated Attendant*
 - *Incoming calls ring on Directors phones only*
 - *Voice Mail Boxes for all extensions*
 - *Connected to web via COMCAST secure router*
 - *Complete Integrated Wireless Phone Solution*
- *Full Programming, Installation, and training included*

"Give your child a head-start in our friendly, comfortable, secure environment. You will put your child on the path to success now and in the future by enrolling at Pumpkin Patch."

We can't wait to meet you!
